## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-5 and 7-10 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

The cited prior arts fail to disclose or suggest the claimed present invention's using an interface between the remote data service application and a TCP/IP protocols software layer to form a connection to the IP network, wherein the interface is split across two processors, with a first interface portion residing on a first processor and a second interface portion residing on a second processor in conjunction with all other limitations in the claim.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
